

§ 1049.10 Producer-handler.

Producer-handler means a person who operates a dairy farm and a distributing plant and who receives no fluid milk products from other dairy farmers or from sources other than pool plants, and no milk products other than fluid milk products for reconstitution into fluid milk products: *Provided*, That such person provides proof satisfactory to the market administrator that the care and management of all dairy animals and other resources used in his own farm production and the operation of the processing and distributing business are at the personal enterprise and risk of such person.

§ 1049.11 [Reserved]**§ 1049.12 Producer.**

(a) Except as provided in paragraph (b) of this section, *producer* means any person who, in compliance with Grade A inspection requirements of a duly constituted health authority, produces milk for distribution as fluid milk products within the marketing area or produces milk acceptable for fluid consumption at Federal, State or municipal institutions, which milk is received at a pool plant, diverted pursuant to § 1049.13, or received by a handler pursuant to § 1049.9(c).

(b) "Producer" shall not include:

(1) A producer-handler as defined in any order (including this part) issued pursuant to the Act;

(2) Any person with respect to milk produced by him which is diverted to a pool plant from an other order plant if the other order designates such person as a producer under that order and such milk is allocated to Class II or Class III utilization pursuant to § 1049.44(a)(8)(iii) and the corresponding step of § 1049.44(b); and

(3) Any person with respect to milk produced by him which is reported as diverted to an other order plant if any portion of such person's milk so moved is assigned to Class I under the provisions of such other order.

§ 1049.13 Producer milk.

Producer milk means the skim milk and butterfat contained in milk from producers which is:

(a) Received at a pool plant directly from a producer, excluding any such milk received by diversion from another pool plant;

(b) Received at a pool plant from a handler described in § 1049.9(c) under the conditions set forth therein;

(c) Received by a handler described in § 1049.9(c) from producers in excess of the quantity delivered to pool plants;

(d) Diverted from a pool plant for the account of the handler operating such plant to another pool plant; or

(e) Diverted from a pool plant to a nonpool plant (other than a producer-handler plant) for the account of the handler operating such pool plant or for the account of a handler described in § 1049.9(b), subject to the following conditions:

(1) During each of the months of September through November not less than one day's production of the producer must be physically received at a pool plant;

(2) The operator of a pool plant may divert the milk of any producer that is not under the control of a cooperative association that diverts milk during the month pursuant to paragraph (e)(3) of this section. The operator of such plant may divert a total quantity of milk not exceeding 50 percent during the months of September through November, January and February, and 60 percent during the month of December, of the producer milk physically received at or diverted from such pool plant during the month;

(3) A cooperative association may divert an aggregate quantity of milk not exceeding 50 percent during the months of September through November, January and February, and 60 percent during the month of December, of the producer milk that the cooperative association caused to be physically received at or diverted from pool plants during the month;

(4) Any milk diverted in excess of the limit set forth in paragraph (e) (2) or (3) of this section shall not be producer milk. The diverting handler shall designate the dairy farmer deliveries that shall not be producer milk. If the handler fails to designate the dairy farmer deliveries which are ineligible, producer milk status shall be forfeited
